Dear Mark,

Thank you so much for your donation to the World Literacy Foundation.

It will help us reach children struggling with literacy with very little to no access to the opportunities they deserve.

Because of your support, the most vulnerable children, around the world, will be able to engage positively with reading and writing in a supportive environment.

The support of people like you enables us to keep our commitment and ensure every child, no matter their circumstances enjoys the freedom that literacy provides throughout their lives.

Here are the details of your donation. Please keep them in a safe place for your records.
